# THINK OUTSIDE THE BOX: THINK OUTDOORS.

Bring real exercise options outside for safe and effective workouts

## OUTDOOR EXERCISE MAY BECOME THE NEW NORMAL

**Due to COVID-19, more and more people will be looking for new exercise options.**

As gyms begin to re-open, they will still need to enforce public health measures, like social distancing, which will make these facilities more restrictive than ever before. The addition of outdoor fitness equipment can turn any outdoor space into the new “normal” of exercise – The Outdoor Fitness Center.

Choosing the right equipment is critical. Outdoor-Fit has over 15 years' experience in the outdoor fitness equipment industry, and designs and builds the most feature packed outdoor fitness equipment on the market.
